It is recommended that you read the entire Offer Booklet and seek professional investment advice from your financial adviser or other professional adviser before deciding whether to apply for New Securities.

The SPP is a part of the capital raising announced by HPI on 14th September 2021, which also includes a placement of Securities to institutional investors to raise approximately \$50 million (**Placement**). Please refer to the Investor Presentation and ASX Announcement released by HPI on 14th September 2021, for further details regarding the Placement.

A cooling-off regime does not apply in relation to the acquisition of New Securities. You cannot withdraw your Application once it has been submitted.

By submitting your Application, you are accepting the risk that the market price of Securities may change between the date you submit your Application and the Issue Date. This means it is possible that, between the time you make your Application and up to or after the Issue Date, you may be able to buy Securities on market at a lower price than the Issue Price. HPI will not issue New Securities to an applicant if those New Securities, either alone or in conjunction with the issue of New Securities under other Applications received by HPI, would contravene any law or the ASX Listing Rules.

Eligible Securityholders should be aware that an investment in HPI involves risks. The key risks identified by HPI are set out in the "Key Risks" section to the Investor Presentation that was released on 14th September 2021. LETTER FROM THE CHAIRMAN

22nd September 2021

Dear Securityholder

SECURITY PURCHASE PLAN OFFER

On behalf of the Board of HPI Property Investments ABN 25 010 330 515 (ASX: HPI) (**HPI** or the **Company**), I am pleased to offer you the opportunity to participate in HPI's recently announced Security Purchase Plan (**SPP**). The SPP provides each Eligible Securityholder with an opportunity to apply for up to A\$30,000 worth of New Securities in HPI (**New Securities**).

The offer

The SPP is being offered exclusively to all Eligible Securityholders, being registered holders as at 7.00 pm (Melbourne time) on 13th September 2021 (**Record Date**) with a registered address in Australia or New Zealand.

The SPP provides Eligible Securityholders with an opportunity to apply for up to \$30,000 in New Securities irrespective of the number of Securities they currently own. The SPP is targeted to raise \$10 million and will not be underwritten. If total demand for the SPP exceeds \$10 million, HPI reserves the right to accept applications (in whole or in part) that results in the SPP raising more than this amount or to Scale Back the maximum number of New Securities issued to each Eligible Securityholder at its absolute discretion.

You may remember that HPI conducted an SPP late last year (**November 2020 SPP**). As this is the second SPP being offered to Eligible Securityholders by HPI within a 12 month period, Eligible Securityholders who participated in the November 2020 SPP may only participate in this SPP to the extent that their aggregate participation in both the November 2020 SPP and the current SPP does not exceed \$30,000. This is a restriction imposed by the ASIC.

HPI is committed to ensuring that all Eligible Securityholders have the opportunity to participate in the SPP.

If a scale back is applied, this means that an eligible retail securityholder may be allocated fewer HPI Securities than they have applied for under the SPP.

The launch of the SPP follows the recent announcement by HPI regarding a \$50 million equity placement to institutional and other wholesale investors who have subscribed for 14,705,883 Securities at \$3.40 per Security (the **Placement**). As noted in HPI's announcement dated 15th September 2021 in relation to the completion of the Placement, the Placement saw strong demand from institutional investors, such that institutional applicants under the Placement were also subject to scale back and may have received fewer HPI Securities than they bid for under the Placement.

The New Securities issued as part of the Placement and the SPP will be entitled to the distribution for the six months ending 31st December 2021.

Use of funds

Funds raised from the Placement and the SPP (together, the **Equity Raising**) will be used to partially fund HPI's proposed acquisition of the Edwardes Lake Hotel and an additional asset for which the terms have been agreed, but which is subject to final contract approvals, along with funding a lease

harmonisation program to standardise leases across HPI's portfolio and associated transaction costs. Further details of the proposed use of proceeds are set out below and in the announcement and investor presentation (**Investor Presentation**) lodged with the Australian Securities Exchange (**ASX**) on 14th September 2021, and are available on HPI's website (<u>www.hpitrust.com.au</u>).

Securityholders are encouraged to read these documents carefully (in particular, the summary of key risks detailed on pages 16-21 in the Investor Presentation), together with the information in this Offer Booklet.

Issue price

The Issue Price of New Securities under the SPP will be \$3.40 per New Security, being the issue price under the Placement, which represents:

- a 4.0% discount to HPI's closing price of \$3.54 per Security on 13th September 2021 (being the last trading day prior to the announcement of the Placement and SPP); and
- a 4.9% discount to the 5 day VWAP of \$3.58 on 13th September 2021, the day prior to announcement of the Placement.

Other key Terms and Conditions

HPI reserves the right to Scale Back or refuse Applications under the SPP at its absolute discretion. Any determination will be final. If HPI scales back Applications, you may be allocated fewer New Securities than the New Securities for which you applied, and you will be refunded the difference in the Application amount (without interest payable on funds prior to your refund). When determining any Scale Back or rejection of Applications, HPI may take into account a number of factors, including the size of an applicant's holding in HPI, the extent to which Eligible Securityholders have sold or purchased additional Securities after the Record Date, whether the applicant has multiple registered holdings and the date an Application was made. Eligible Securityholders are, therefore, encouraged to submit their Applications early.

If total subscriptions under the SPP are less than the targeted \$10 million, HPI may seek to place the shortfall to investors identified by it at the Issue Price, subject to being permitted to do so under Listing Rule 7.1.

Participation in the SPP is entirely voluntary. All New Securities will rank equally with existing Securities and will carry the same voting rights and entitlement to receive distributions.

No brokerage, commissions or other transaction costs apply to purchases under the SPP.

How to accept this offer

To apply for New Securities under the SPP, please follow the instructions on the enclosed personalised Application Form or use the BPAY® option referred to in the relevant sections in this document. If you wish to participate in the SPP, you are encouraged to apply via BPAY in light of delays to postal services caused by the COVID-19 pandemic, as you do not need to return the Application Form enclosed with this Offer Booklet if you choose this option.

This letter and its attachments set out the details and Terms and Conditions of the SPP. We encourage you to read the enclosed material and seek your own financial and tax advice in relation to the SPP before you decide whether to participate.

The SPP opens at 10.00 am (Melbourne time) on 22nd September 2021 and will close at 5.00 pm (Melbourne time) on 13th October 2021. HPI reserves the right to extend the Closing Date, to accept late Applications either generally or in particular cases or to withdraw the SPP without prior notice subject to the Corporations Act and the Listing Rules.

On behalf of the Board, we invite you to consider participation in the SPP.
Yours sincerely
Raymond Gunston
Chairman

KEY RISKS

There are a number of general and specific risks which may affect the future operating and financial performance and financial position of HPI along with the trading price of the Securities and distributions (if any) paid on them in the future. These risks are identified on pages 16-21 of the Investor Presentation that was released on ASX on 14th September 2021 and are available on HPI's website (www.hpitrust.com.au). Eligible Securityholders are encouraged to read these risks carefully before deciding to apply for New Securities under the SPP.

These risks are associated with an investment in Securities but are not an exhaustive list. As a Securityholder, you will continue to be exposed to risks. There may also be additional risks and uncertainties not currently known which may have an adverse effect on HPI's business and the value of the Securities. Where possible, HPI will seek to minimise its exposure to, and mitigate the effects of, these risks. However, certain risks relate to matters that are outside the control of HPI, and there can be no assurance that any steps that HPI takes will successfully protect it from any particular risk.

The risks identified in the Investor Presentation (and the disclosures in this document more generally) do not take into account the investment objectives, financial situation, tax position or other circumstances of any particular Securityholder. Securityholders should have regard to their own investment objectives and financial circumstances and seek professional advice from their legal, financial or other independent adviser before determining whether or not to participate in the SPP.

FREQUENTLY ASKED QUESTIONS

1. What is the SPP?

The SPP is an opportunity for Eligible Securityholders to purchase additional Securities irrespective of the number of Securities they currently own.

No brokerage, commissions or other transaction costs will apply.

All New Securities issued to you under the SPP will rank equally with your existing fully paid Securities and will carry the same voting rights and entitlements to receive distributions.

2. Who may participate in the SPP?

You may participate in the SPP if you are an Eligible Securityholder. You are an Eligible Securityholder if you are a registered holder of Securities on the Record Date with a registered address in:

- Australia; or
- New Zealand,

unless you are an Excluded Securityholder. Certain Eligible Securityholders who are Custodians holding Securities on behalf of certain beneficiaries are also able to participate in the SPP in accordance with the Terms and Conditions.

An Excluded Securityholder is any:

- person who holds Securities (either for their own account or the account of another person) who resides outside Australia or New Zealand; or
- holder of Securities who is, or is acting for the account or benefit of, a person in the United States.

Each Custodian, trustee or nominee must not distribute any documents relating to the SPP to any person in the United States and must not submit an Application or make payment by BPAY® or otherwise for Securities for any person for whose account or benefit it acts that is an Excluded Securityholder.

3. Do I have to participate in the SPP?

No. Participation in the SPP is entirely voluntary.

If you do not wish to participate in the SPP, no action is required on your part.

Before you apply for New Securities, HPI recommends you seek independent financial and tax advice from your stockbroker, accountant or other professional advisor, and you monitor the price of Securities (which is quoted in the financial pages of the major metropolitan newspapers and on the ASX website). This Offer Booklet does not purport to contain all of the information that you may need to make an investment decision.

4. Are there any risks in participating in the SPP?

There are risks associated with holding Securities and participating in the SPP.

These risks are summarised in the 'Key Risks' section of the Investor Presentation that was released on ASX on 14th September 2021 and is available on HPI's website (www.hpitrust.com.au). Eligible Securityholders are encouraged to read these risks carefully before deciding to apply for New Securities under the SPP. These Key Risks are not exhaustive.

In addition, there is a risk that the Issue Price may differ from the market price of Securities on the day New Securities are issued or allotted to you. The market price or value of Securities is subject to market volatility. It may be higher or lower, at any time, than the Issue Price of the New Securities you receive.

5. What is the Issue Price of the Securities under the SPP?

The Issue Price of New Securities issued under the SPP will be \$3.40 per New Security, being the issue price under the Placement, which represents:

- a 4.0% discount to HPI's closing price of \$3.54 per Security on Monday, 13th September 2021 (being the last trading day prior to the announcement of the Placement and SPP); and
- a 4.9% discount to the 5 day VWAP of \$3.58 on Monday, 13th September 2021, the day prior to announcement of the Placement.
- 6. What will the funds raised under the SPP be used for?

Proceeds from the SPP will be used to partially fund HPI's proposed acquisition of the Edwardes Lake Hotel and a further asset which is in advanced stages for which the terms have been agreed, but which is subject to final contract approvals along with funding a lease harmonisation program to standardise leases across HPI's portfolio and associated transaction costs.

7. How many New Securities can I apply for under the SPP?

If you are an Eligible Securityholder, you are entitled to apply for up to \$30,000 in New Securities, regardless of the number of Securities you currently hold. You may nominate one of the following values should you wish to apply for New Securities: \$2,500, \$5,000, \$10,000, \$15,000, \$20,000, \$25,000, or \$30,000 (Nominated Subscription).

If you receive more than one copy of this Offer Booklet, or if you hold Securities in more than one capacity (e.g. because you are both a sole and joint holder of Securities), the maximum amount you may apply to invest under the SPP in all capacities, and in aggregate, is \$30,000. By applying to purchase New Securities under the SPP, you certify you have not exceeded this \$30,000 limit.

If you participated in the November 2020 SPP you may only participate in this SPP to the extent that your aggregate participation in both the November 2020 SPP and this SPP does not exceed \$30,000. This is a restriction imposed by the ASIC.

If the Issue Price cannot be divided into your Nominated Subscription, to give a whole number of New Securities, there will be a rounding down of the number of New Securities. By applying to purchase New Securities under the SPP, you acknowledge that any remaining balance of your payment arising from any rounding down will be donated to a registered charity of HPI's choosing. You will not receive a refund for this amount, which will always be less than the Issue Price of one New Security.

8. Can I transfer my offer to a third party?

No. Your rights under this offer are personal to you and non-renounceable, so you may not transfer them.

9. What will happen if the SPP is oversubscribed?

The SPP is targeted to raise \$10 million.

HPI may decide to accept Applications (in whole or in part) that result in the SPP raising either more or less than this amount in its absolute discretion.

If total demand for the SPP exceeds \$10 million, HPI reserves the right to accept applications (in whole or in part) that results in the SPP raising more than this amount at its absolute discretion.

HPI may also, at its absolute discretion, Scale Back the number of New Securities that will be allotted to individual Securityholders under this SPP.

If a scale back is applied, this means that an eligible retail securityholder may be allocated fewer HPI Securities than they apply for under the SPP.

It should be noted that institutional applicants under the Placement were also subject to scale back and may have received fewer HPI Securities than they bid for under the Placement.

10. How do I apply for New Securities under the SPP?

If you wish to participate in the SPP, you can apply for New Securities in the following ways:

- apply for New Securities by making a payment of \$2,500, \$5,000, \$10,000, \$15,000, \$20,000, \$25,000 or \$30,000, using the BPAY® facility provided by your bank as per the instructions in the Application Form. 11. Can I apply for New Securities under the SPP if my Securities are held by a Custodian, trustee or nominee?

If you are expressly noted on HPI's Securities register as the named Beneficiary of Securities held by a Custodian, trustee or nominee, and you reside in Australia or New Zealand, you will be eligible to participate in the SPP. The Securities will be issued on the Issue Date.

It is expected that the Securities will be allotted on the Issue Date (Allotment Date).

A transaction confirmation is expected to be despatched to you on or around the Despatch Date.

2. Eligible Securityholders

You may participate in the SPP if you are an Eligible Securityholder.

Securityholders who hold Securities on behalf of persons who:

- (a) reside outside Australia or New Zealand;
- (b) are in the United States or are acting for the account or benefit of a person in the United States,

are not entitled to participate in the SPP on behalf of those persons.

The New Securities to be offered and sold under the SPP have not been, and will not be, registered under the U.S. Securities Act, or the securities laws of any state or other jurisdiction of the United States. Accordingly, Securityholders who are located in the United States or are acting for the account or benefit of a person in the United States are not Eligible Securityholders and are not entitled to participate in the SPP. A Custodian must not participate in the SPP on behalf of, nor distribute this Offer Booklet or any other document relating to the SPP to, any person in the United States.

Consistent with the representations, warranties and acknowledgements contained these Terms and Conditions and the Application Form

included with this Offer Booklet, you may not submit any completed Application Forms for any person in the United States or any person who is acting for the account or benefit of a person in the United States. Failure to comply with these restrictions may result in violations of applicable securities laws.

If you are the only registered holder of a holding of Securities, but you receive more than one offer under the SPP (due to multiple registered holdings), you may only contribute a maximum of \$30,000 in applying for New Securities.

If 2 or more persons are recorded in HPI's Securities register as jointly holding Securities, they are taken to be a single registered holder of Securities for the purposes of the SPP. If as joint holders you receive more than one offer under the SPP due to multiple identical holdings, you may still only contribute a maximum of \$30,000 in applying for New Securities. An agreement, representation, acknowledgement or certification given by any joint holder of Securities is taken to be an agreement, representation, acknowledgement or certification given by all joint holders.

An Eligible Securityholder who is a Custodian, trustee or nominee within the definition of "custodian" in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (Custodian) may participate in the SPP on behalf of each Eligible Beneficiary on whose behalf the Custodian is holding Securities.

If you are a Custodian, you may contribute a maximum of \$30,000 in applying for Securities for each Eligible Beneficiary on whose behalf you or a downstream Custodian holds Securities (but joint holders are taken to be a single holder). This is subject to you providing HPI with a certificate in accordance with clause 3.6(f) by emailing it promptly to registrars@linkmarketservices.com.au. If you are not a Custodian, the rules for multiple single holdings apply and you may only contribute a maximum of \$30,000 in applying for Securities. You are not eligible to participate on behalf of a person who resides outside Australia or New Zealand.

If you are an Eligible Securityholder, your rights under this offer are personal to you and non-renounceable, so you may not transfer them.

Participation in the SPP is entirely optional. If you are an Eligible Securityholder, you can choose whether or not to participate. If you are a Custodian, you can choose whether to extend the offer to your Eligible Beneficiaries.

3. Applications for New Securities

3.1 Limitations on Applications

If you are an Eligible Securityholder, you may apply to purchase a Parcel of New Securities valued at \$2,500, \$5,000, \$10,000, \$15,000, \$20,000, \$25,000 or \$30,000 (Nominated Subscription).

This Parcel may be subject to a Scale Back and rounding.

Unless you are applying as a Custodian, the maximum amount of \$30,000 applies even if you receive more than one Application Form or if you hold Securities in more than one capacity (for example, if you are both a sole and joint holder of Securities – see clause 2 above) and irrespective of the number of Securities you hold on the Record Date. HPI can reject any Application for New Securities if HPI believes you have not complied with this condition. If you participated in the November 2020 SPP, HPI is legally required to Scale Back Applications to ensure you do not exceed the maximum aggregate allocation of \$30,000 of Securities within a 12 month period.

3.2 Completing the Application Form and paying for Securities

If you wish to participate in the SPP, you must either:

(a) make a payment by BPAY® if you have an Australian bank account enabled for this purpose. BPAY® customers must use the unique customer reference number shown on the instructions to the Application Form which is required to identify your holding. If paying by BPAY®, you do not need to return your Application Form.

Note: By using the BPAY® facility to apply for New Securities, you represent to HPI that the total of the Application price for the following does not exceed \$30,000:

- (i) the New Securities you are applying for;
- (ii) any other New Securities you are applying for under the SPP, or Securities or interests in the class issued under a similar arrangement in the 12 months before your Application under the SPP;
- (iii) any other Securities or interests in the class which you have instructed a Custodian to acquire on your behalf under the SPP; and
- (iv) any other New Securities or interests in the class issued to a Custodian under an arrangement similar to the SPP in the 12 months before your Application under the SPP as a result of you instructing the Custodian or another Custodian, which resulted in you holding a beneficial interest in the New Securities or interests.
- (b) complete the enclosed Application Form and return it with a cheque, bank draft or money order for \$2,500, \$5,000, \$10,000, \$15,000, \$20,000, \$25,000 or \$30,000, in accordance with the instructions on the Application Form. Cheques, bank drafts and money orders must be drawn on an Australian branch of a financial institution in Australian currency, made payable to "Hotel Property Investments" and crossed "Not Negotiable". HPI will not accept payment by cash.

If you wish to participate in the SPP, you are encouraged to apply via BPAY in light of delays to postal services caused by the COVID-19 pandemic, as you do not need to return the Application Form enclosed with this Offer Booklet if you choose this option.

Payment in cleared funds must be received by 5.00 pm (Melbourne time) on the Closing Date.

3.3 HPI's discretions regarding Applications

HPI has a broad discretion to accept or reject your Application to purchase New Securities under the SPP in whole or in part, including if:

- (a) Your Application Form does not comply with these Terms and Conditions;
- (b) your Application Form, cheque, bank draft, money order or BPAY® payment is late, incorrectly completed, incomplete or otherwise determined by HPI to be invalid:
- (c) your cheque or bank draft or money order is late, dishonoured or has not been completed correctly;
- (d) the cheque, bank draft or money order that you enclose with your Application Form is not made out for the exact amount as indicated on the Application Form;
- (e) your BPAY® payment is not received or is incomplete or invalid;
- (f) unless you are applying as a Custodian, it appears that you are applying to buy more than \$30,000 (in aggregate) of New Securities under the SPP;
- (g) you are a Custodian, HPI is not satisfied with your certification for any reason, or if you have not provided certification;
- (h) cleared funds are not received until after the Closing Date. While HPI has the discretion to accept late Application Forms, cheques, bank drafts, money orders or BPAY® payments, there is no assurance that it will do so. Late Application Forms and cheques, bank drafts or money orders, if not processed, will be returned to you at your registered address. Late BPAY® payments may be returned to you by cheque (or any other method as HPI determines) to your registered address;
- (i) the amount of your cheque, bank draft, money order or BPAY® payment is not equal to the amount indicated on the Application Form, in which event HPI will:

- (i) refund in full your Application monies and not allot any New Securities to you; or
- allot to you the number of New (ii) Securities that would have been allotted had you applied for the highest Parcel that is less than the amount of your payment and refund to you the excess of your Application monies by direct credit deposit to your nominated bank account or by cheque; or
- (j) HPI has reason to believe that you are not an Eligible Securityholder (subject to compliance with any applicable ASIC or ASX requirements).

HPI must reject Applications if required to do so under ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547.

3.4 Amount to be raised and Scale Back

HPI (in its absolute discretion) reserves the right to Scale Back Applications under the SPP.

If there is a Scale Back you may not receive all the New Securities for which you have applied. HPI may, at its absolute discretion, Scale Back the number of New Securities that will be allotted to individual Securityholders under this SPP. If a Scale Back produces a fractional number when applied to your Parcel, the number of New Securities you will be allotted will be rounded down.

If there is a Scale Back, HPI will refund to you by direct credit deposit to your nominated bank account or by cheque, the difference between your Application money and the total Issue Price for the New Securities allotted to you (provided that you will not receive a refund for an amount which is less than the Issue Price of one Security).

3.5 **Interest**

No interest will be paid on any Application money returned to you, or held pending the issue of New Securities under the SPP.
