Passing of Chairman – Mr Ray Gunston

It is with deep sadness and sincere condolences that the HPI Board advises of the sudden death this morning of our non-Executive Chairman, Ray Gunston.

Ray has been a Director of HPI since its creation and listing in 2013 and has provided invaluable guidance and mentorship to the Board and employees during his tenure. Ray's calm demeanour, eagle eye for the detail and gentle guidance of his colleagues will be greatly missed by the HPI Board and Management.

We extend our deepest sympathies to Ray's family and friends
